

## *Činy znamenajú viac ako slová*

Prvá časť tejto scénky bola o tom, ako Samantha (Melissa Marušáková) chcela dostať bábiku, po ktorej veľmi dlho túžila. Dostane ju, ak sa bude správať ako slušné dievča. Aspoň, to tvrdila Grandmary (Soňa Babinská), Samanthina babka. Týždne prešli a Grandmary sa rozhodne, že je ten správny čas na to, aby Samanthe dala tu bábiku. Samantha tej bábike dala meno Lydia. Uncle Gard (Adam Jakubov) je Samanthin strýko, ktorý ich navštívil v Mt. Bedford, New York. Neskôr, Samantha sa stretne s dievčaťom, ktorá sa volá Nellie (Carly Cichá), Nellie pracuje pre Samanthiných susedov, Eddie Ryland (Filip Vašš) a Mrs. Ryland (Kristína Cinová). Samantha a Nellie sa rýchlo stanú najlepšími kamarátkami. Potom sa dozvie viac o Nellinom živote, ako žila a pracovala vo veľkom meste. Kým tam pracovala, začala kašlať a ochorela z dymu vo fabrike v ktorej pracovala. Tak Nellie prišla pracovať pre rodinu Rylandsovú. Eddie, sa vždy zlé správa k Nellie aj Samanthe, ale Samantha sa k Eddiemu tiež potom takto správa. Ale Nellie začne kašlať horšie a horšie, až Mrs. Ryland sa rozhodne že pošle Nellie naspäť domov. Samantha je veľmi smutná že Nellie odchádza, a tak svoju milovanú bábiku Lydiu dá Nellie. Keď Grandmary zistí, že Samantha nemá zo sebou Lydiu, tak je veľmi smutná. Ale potom Uncle Gard (ktorý sa dopočul že Samantha dala Lydiu Nellie.) povie Grandmary pravdu. Grandmary to pochopí a je veľmi spokojná so Samanthou. Grandmary sa rozhodne, že by mali pomôcť Nellie a jej rodine. Neskôr Nellie a jej rodina začnú pracovať pre pani, ktorá býva len o dva domy ďalej ako Samantha. Nellie a Samantha chodia spolu do školy a hrajú sa spolu každý deň.

## *Actions speak louder than words*

The first part in this play, was about how Samantha wanted to get a doll. She could get it if she acted like a proper young lady. At least that's what Grandmary, Samantha's grandma said. Weeks pass and Grandmary decides to give Samantha the doll. Samantha names her Lydia. Uncle Gard is Samantha's uncle, who is visiting them in Mount Bedford, New York. But then, Samantha meets a girl, named Nellie who is working for Samantha's neighbor Eddie Ryland and Mrs. Ryland. Samantha and Nellie become best friends. And soon, Samantha learns about Nellie's life when she used to live and work in the city. Also, Nellie got sick and started coughing from all the dust in the factories. Samantha feels very sorry for Nellie. So she came to work for the Rylands'. Eddie, is always mean to Nellie and Samantha, but Samantha is always mean back! But when Nellie starts coughing worse and worse everyday, Mrs. Ryland decides to send Nellie back to the city. Samantha is very sad that Nellie is leaving but gives her doll Lydia to Nellie so that she will be her friend. When Grandmary finds out that Samantha doesn't have her doll she is very upset. But then Uncle Gard (who heard that Samantha gave her doll to Nellie) tells Grandmary the truth. Grandmary understands and is very pleased with Samantha. Grandmary also decides to help Nellie and her family and now Nellie and her family work at the house two houses away from Samantha's. Nellie and Samantha go to school together and play everyday. Grandmary's actions spoke louder than words too.
